*Mr. Matt. Ridley & Mr. Bowes were
Returned duly Elected
Mr. Delaval afterwards petitioned
against Mr. Bower for Bribery
this Petition was to have been
gone into the 15th Feb: 1782
on this day there were not a*

Sufficient Number of Members in
the House to Ballot for a Committee
nor on the 10th but on the 19th a
Committee was Balloted for who
instantly adjourned & chose their
Chairman - Mr. Johnson Counsel
for Mr. Delaval addressed the Committee
that he had considered the Evidence
named in his Brief & the Case of
Mr. Delaval but apprehended that
when the Witnesses came to be
Examined he thought the Committee
would not think them sufficient
to Support the Petition & as there
was no time for Mr. Delaval to
send to Newgate for further
Evidence he ^{did} not mean to trouble
the Committee by calling any
Evidence. - Mr. Lee Counsel for
Mr. Bowes then moved that as no
Evidence was called, all that remained
for him to do was to request the
Committee to Report Mr. Bowes
Duly Elected.

The Chairman & Committee hereupon
Agreed to Report Mr. Bowes Duly
Elected, which Report was made
on the 20th Feb.

This Petition of Mr. Delaval's was presented merely to Harpur Mr. Bowes & was supposed to be set on foot by Mr. Brandling Mr. Biggs & others the Friends of Sir Matthew Ridley & Mr. Delaval - to counteract this Petition there was another presented against Sir Matt. Ridley by the Burgesses to intimidate Sir Matthew's Friends for them to withdraw Mr. Delaval's Petition but as this had not the desired Effect & as Sir Matt. had behaved with the greatest disinterested Honour during the Poll and acknowledged so by Mr. Bowes after the Poll, Mr. Bowes would not proceed against Sir Matt. but withdrew the Burgesses Petition a few days before the 15th Feb. in an amicable manner between Sir Matt. & Mr. Bowes

Mr. Delaval was in this Business made a mere tool of - certain Gentlemen were determined to sacrifice both Mr. Delaval & Sir Matt. to their Enmity against Mr. Bowes - no matter if all the three went ^{out} provided that Mr. Bowes was incapacitated to serve & it was even said that it was the Wish of certain persons that the three should ruin

one another by the Evidence against
each to avoid the Election for two
other Gentlemen to succeed in their
places. - Mr. Power procured copies
of Letters that passed between Mr.
Delaval & his Friends, by these
Letters it appeared Mr. Delaval
expected to be supported with Cash
by his Friends as was promised
- the Answer to him was, Mr. Power
must be first turned out & all
Expenses shall be paid - Defeated
by both Cash & Evidence, Mr. Delaval
gave up the contest
